**Report of the Programme:**

Internal Complaints Committee of Nakshalbari College organised an awareness programme on 10/05/2022 to make a consciousness among the students regarding the hurdles in front of us to achieve Women Empowerment in its true essence. An exhaustive and informative talk by the Resource person Dr. Ranjit Roy threw light on the progress achieved towards the Women Empowerment in India in particular and gender equality in general. He highlighted the major challenges in the road ahead and suggested the remedial measures to overcome those. The Convener of ICC Smt. Krishna Barman welcomed the gathering and an interactive session between the students and the resource person followed. The students participated actively in the programme.
