Analysis of Teachers feedback Session: 2020-2021 REPORT

From the data received it is seen that the respondents have given excellent rating for most of the sections of the Institution excepting three areas which are ICT facilities in the Institution, Basic amenities provided to the staff and Welfare facilities provided by the administration.

In all the areas the rating for excellent is above 25% and good is above 25%.

In only one area i.e, ICT facilities in the Institution the rating of 4% is poor which is a very low figure considering the ratings by the majority.

The rating by the respondents for the year 2020-2021 shows a very better outlook of the Institution. However there are grounds which require focus and improvement.
