Analysis of Teachers feedback

Session, 2021- 2022

REPORT

The respondents have given a very excellent rating in the areas like inter-personal relationship with the Head of the Institution, work place environment, and availability of reading material, learning value and leadership quality of the Head of the Institution.

There is also a very good response in areas like basic amenities provided to the staff, scope for use of innovative teaching methods and ICT facilities in the Institution.

Few areas like Basic amenities provided to the staff and Welfare facilities provided to the staff have been marked poor by a very few number of respondents.

The overall feedback shows a positive attitude of the respondents towards the Institution. Some areas still need improvement.
