Students Feedback Analysis

Report

Total of 542 students responded to the Feedback Form given to them to assess their overall experience with the College. In the initial years the students could not attend the classes offline due to Covid protocols.

The overall analysis of the data shows that the majority of the students are satisfied with the facilities provided by the institution, classroom teaching of the teachers, fairness of evaluation, relationship with the teachers and the coverage of syllabus.

Some areas like the usefulness of the teaching material, interaction or the approachability of the office staff, their relationship with the Principal has shown the room for improvement.

Concerned department will be informed for the better course of action in future and help the students in the best possible way.
