In the programme, Principal Sir **Dr. Samirendra Sarkar** emphasizes the basic concept of library orientation, library's role in student's educational activities and expresses his concern about more use of information technology and some motivation talk in teaching learning process of Students. In the programme, the Librarian placed a power point presentation and mentioned every details of Library, its concept, Library's importance on student's life, Nakshalbari College Library's facilities and services, how to activate N-LIST, its uses, e-journal, e-books, Library Web page, and OPAC search of Nakshalbari College. The programme came to a close at 2:30 p.m.

Objectives of the Programme

- To familiarize Students with the Library facilities, resources and services
- To educate and guide them on how to use the library's services and resources.
- To introduce the students to issues of academic morality.
- To increase the reading habits and help them to become self-independent in searching of information resources in the libraries among the students

Programme Duration:

1 day on 10th January 2023

Total Number of Participants:

235 Students attended the programme.

Observation

Library Orientation Program is very essential for library users. It enables library users - to use library resources and services independently and efficiently for the purpose of their study and thereby transforming them to be lifelong learners. Users will acquire clear cut ideas about do's and don'ts of that library system. So we hope that this orientation will help the students to fulfill their academic purposes and they would further use library's resources for over all development.
